## HEALTH OFFICER NAMED

Commissioners Appoint Dr. G. W. Larendon to Succeed Dr. Henry Noark.

## WILL ACT FRIDAY ON NEW OFFICERS BONDS

Injunction Case Against the City on Trial—Contract with St. Joseph's Infirmary is Renewed.

The county commissioners at their session yesterday elected Dr. George W. Larendon as county health officer and authorized Judge Shaw to enter into a contract with him for a term of two years, ending on the second Monday in November, 1900. The rate of compensation was ordered to remain the same as in the case of Dr. Henry Noark, the retiring health officer, who was paid \$100 per month and allowed \$25 per month for an assistant.

Dr. Noark's name was the only one brought before the meeting in opposition to that of Dr. Larendon. It is understood that Dr. Sellers of Spring and Dr. Mackey of Katy were also applicants for the position, but they were not put in nomination. A vote on the matter disclosed the fact that Commissioners Hirsch, Becker and McKinney were in favor of Dr. Larendon, Commissioner Ehrhardt voting for Dr. Noark. Under these circumstances Judge Shaw was not required to vote.

The commissioners will remain in session during the remainder of the week. On Friday next the court will take up and pass upon the bonds of the newly elected county officials. The officers whose bonds are found to be satisfactory will be given their certificates and it is understood that most of them will take charge of their respective offices immediately. They have, however, the privilege of delaying such action for twenty days after the issuance of the certificates.

The case of James Snowball against the City of Houston, an action to enjoin the sale of certain property for taxes, is on trial before Judge Tod in the Eleventh civil district court.

All motions not heretofore disposed of in this court will be acted on today.

## County Commissioners.

Judge Shaw presided over the meeting of the county commissioners yesterday and all of the commissioners were present.

The court decided to receive and act upon the bonds of the new county officials at the session to be held next Friday, the 15th instant.

The report of County Judge Shaw, showing collection of \$41 during the past week, was examined and approved.

It appearing that the deeds to the Goose creek and Cedar bayou road on the west line of the William Scott and the east line of the Harvey Whiting surveys have all been made and filed and the public road thereby fully established, the court ordered that a former road cutting diagonally through the William Scott survey, known as the Goose creek road, be entirely abandoned, the right of way not being owned by the county.

The county judge was directed to renew the contract with William Hauck, superintendent of the county poor farm under the same conditions as have heretofore prevailed and to put same in force upon the second Monday in November, 1900.

Dr. George Larendon was appointed county physician at a salary of \$100 per month and an allowance of \$25 per month for an assistant, these being the terms incorporated in the contract with Dr. Henry Noark, which has just expired. The county judge was directed to draw up a contract with Dr. Larendon, to be held good until the second Monday in November, 1900.

The contract existing between Harris county and St. Joseph's infirmary was renewed for two years. The old terms are to be observed.

The court then adjourned to this morning at 10 o'clock.
